## Coordinating Group Formed By Veterans

Four Local Posts Join Hands in Aid Program in Village

Palm Springs Veterans Coordinating Council was functioning today with representatives of the four veterans organizations in the village organized and already handling their first case.

On the council, as announced yesterday, are Edward Maddon, American Legion; Walter Pagan, Amvets; Dean Pickell, Veterans of Foreign Wars and Ray Hiller, DAV.

Pagan is first chairman of the group and Haddon, secretary.

**THE PROGRAM**, as worked out by the group, plans to handle all cases of veterans' relief, local and transient. Pegl Scott's office has been designated as clearing house. Any merchant or business man approached by a veteran for relief, is asked to call 2701 and the case will be referred to the coordinating council.

Working with the council will be the police department and other relief agencies in the city.

Purpose of the council is to handle all such cases through one person. For the first period Haddon, as secretary, will handle the cases.

**THE COUNCIL** has been discussed by the four local veterans organizations for more than two weeks and last week at a meeting of the council, Pagan, Legion commander, Jay Rollman, Amvet chief, and Pagan, Haddon, Hiller and Pickell, the plans were set in motion.

LINES TO MARCH 15

Abe Lincoln in the Hall of Fame

For setting people free.

We need an Abe to do the same.

Today for you and me.

Tomorrow banks and city offices will close but the rest of us will probably go about our business as usual forgetting all about Abraham Lincoln whose birthday anniversary falls today.

We could use another man like him right now. . . . February, the shortest month, is longest on holidays. . . . Besides tomorrow's observance, there's also George Washington's birthday coming up a week from Tuesday and next Monday is Valentine's day. . . . And Ardvard day has just been observed. . . . We also have with us this week Boy Scout week.

**THOMAS EDISON** had a birthday this month. . . . Have often wondered what would have happened if Edison had been in his hey-day during the bright days of the New Deal. . . . Would we have electric light, phonographs and so on if he knew that he didn't get busy and do something, the government would see to it that he had something to eat any day. . . . That goes for the telephone, the automobile and the rest of it. . . . The inventors wanted something better than they had and got busy. The New Deal wasn't there then to tell them to just sit on it and they'd bring it to them.

**WISH** they'd do something about those parking meters. . . . Those dead poets look so distressing. . . . And a warning to come. . . . Saw a woman make good use of one the other day. . . . She dropped her used gum wrappers in it. . . . Said a man up in front of Brott's the other day: "Gee, I wish Palm Canyon Drive was the only one we had here." . . . Brott got a letter not so long ago addressed to Mr. and Mrs. Harry Brott and all the little Brott's. . . . At first she thought it said "Bratts."

## Village Priest Who Went Through Red Imprisonment Says Cardinal "Innocent"

As a local slant on the famous (or infamous) Cardinal Mindszenty case of Hungary at present headlining newspapers all over the world, is the statement from the Rev. Raymond Ramon Klumbis that he believes Cardinal Mindszenty "innocent without question."

As an American citizen in Lithuania (he was taken there from his native Chicago as a small boy) he was able to survive the many rigors and tortures and eventually he was spared from death at the hands of both Nazis and Communists.

He is familiar with the methods of the Communies in both refined and brutal tortures and feels that the Cardinal has had the worst that might be given a political prisoner.

**STARTING** out in 1940 with his first arrest at the hands of the Russians for burning some of his personal documents he underwent a series of tortures accompanied by many of the other 2000 priests and holy men of Lithuania of whom there is only a small handful now living.

Reminiscing of the horrors he underwent—which he feels certain the Cardinal has been experiencing until the so-called "confession," Rev. Klumbis is very open and candid in his statements how the Communies would at times put the entire group on salt water and bread crust diets for a week at a time; how they would open a door, place the "offenders" fingers in the narrow opening near the hinges—then slam the door, live steam from the prisoners' faces; how he at one time was forced to stand at attention without moving even a finger for four hours steady; and how at another time he sat in a chair with a blinding light focused in his eyes and not allowed even to move a finger for 20 hours—these and many more similar he classified as some of the more "refined" persuasive methods of the Communies, who he feels could put the alleged sadism of the Chinese tortures to shame.

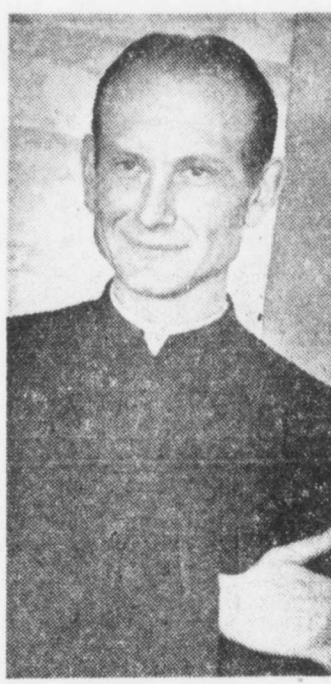

**"I'D RATHER** be a prisoner in solitary in the United States than a free man in Russia," he said. He explained that there is no such thing as family ties in Russia and humaneness is entirely sublimated.

"The Nazis at their worst were never as bad as the Russians," he said, "they sometimes had a little humanity in their systems which the Communies had not."

So in the case of Cardinal Mindszenty, Rev. Klumbis feels that Stalin is doing his best to stall for time by the life sentence, rather than death which they ordinarily would give.

And the stall for time is only until the Russians perfect their own atom bomb, believes the Reverend.

**HE KNOWS**—Rev. Raymond Ramon Klumbis of Palm Springs who can appreciate the sufferings of Cardinal Mindszenty in Hungary. He was a prisoner of both Nazis and Communists in Europe.

## Anybody Find a Set of Good Plane Engines on Desert?

A report to local police Wednesday from March Field, said that a plane from the air base on Feb. 1, had been traveling through the skies near Palm Springs at an elevation of 15,000 feet, approximately 15 miles south of town and, inadvertently, the bomb bay doors had been opened.

According to Captain W. J. Cursinger, chief of Flying Security of the field, when the doors opened on the plane two engines, which were being transported, plus other accessories, had complied with the laws of gravitation and had "hit the deck."

Captain Cursinger requests that finders not be to keepers but to notify the Palm Springs Police department or the Flying Safety School.

## Village is Innocent Cause Of Needless Board Debate

Supervisors clashed Monday in verbal tilts in which Palm Springs was the innocent cause but when they finished, nothing had happened and later it appeared as if the bone of contention was like that little man—it wasn't there.

It started when newly-elected Supervisor William E. Jones and hold-over Supervisor Ed Hill wanted to iron out a certain clause in the county's zoning ordinance.

**HILL BROUGHT** the matter up when he asked why it required four votes of supervisors to override a planning commission zoning recommendation when it only took three votes to pass them.

Jones joined in with the query: "If they (the planners) come up with a recommendation against this cement mill, will it take four votes to override it?"

**THAT'S WHERE** Palm Springs came in for Jones apparently was referring to the Guiberson controversy.

But the fight remained one-sided because the other supervisors refused to fight. Chairman Floyd Glinnie adjourned the session and left. So did James Easley and William Slape.

When the questioning stopped, Tyler Suess, county planner, said he knew of no clause in the new zoning ordinance which provided for a four-to-one vote to override a planning recommendation. Supervisors, he said, may approve or reject any planning commission recommendation by a simple majority—three to two.

## Circus Board Names Valour Awards Head

More Prizes Being Offered This Year As Circus Plans Grow

Appointment of Claude Valour as chairman of the Awards Committee, and addition of a Whiting home freezer to the list of gifts this week lent impetus to the sale of tickets for the 13th Annual Circus.

Grand award of the list is a 1949 Buick Sedan from the Desert Inn Garage and its display on the downtown streets throughout the day and evening has attracted many patrons.

**TRAV ROGERS**, general chairman of the Circus, announced that Valour had accepted the appointment as chairman of the committee whose work is exceptionally vital to the Circus as the principal income, which is distributed to charitable and youth agencies each year, is realized from this source. Tickets to the circus events will be placed about the city at hotels, apartments, restaurants and stores under Chairman Valour's direction.

Meantime, the list of awards took on a flavor attractive to Milady as Howard R. Roberts, head of the Whiting Corporation's Los Angeles office, gave to Chairman Rogers a beautiful Whiting Home Freezer to be given away as second award this year. The freezer, worth \$239.50, is a 4½ cubic foot size and its dimensions are 27 by 32 by 36. It will be picked up at the Whiting warehouse in Los Angeles this week and placed on display at some downtown spot where passersby may see it.

**OTHER AWARDS** on the list are a Sentinel Radio, a \$45 sweater, Mobil Tires, Mobil Oil Gasoline, \$100 worth of stationery and a Wilson Tennis racquet from the Racquet Club.

## New School to be Dedicated Today

Dedication and blessing of St. Theresa's on E. Ramon road is scheduled this morning at 8:00 o'clock when the Most Rev. Bishop Charles Francis Buddy of the San Diego diocese will perform the ceremonies.

Besides the dedication of the institution, which has been so long awaited, there will be a presentation by the American Legion. The senior and children's choirs will sing and the bishop will administer the Sacrament to approximately 30 children and 10 adults.

## Check Suspect Arrested in Yuma

Sergeant Durman Ordway of the local police department, was in Yuma today scheduled to return Lois Riders, alias Lois Kentwood, rigger, to Palm Springs to face fictitious check charges.

The woman, arrested in the Arizona town of a local complaint is accused of issuing worthless checks for dress finery here.

## Dr. Backstrom Named Head Of Annual Red Cross Appeal

Dr. Robert G. Backstrom, president of the Junior chamber of commerce will direct the 1949 Red Cross campaign as chairman. Dr. C. H. Baldwin, chairman of the Palm Springs branch of the American Red Cross said yesterday following the regular meeting of the group at Health Center Wednesday.

The Junior chamber of commerce is taking over the drive this year and Dr. Backstrom is expected to announce his co-chairmen within a few days.

**IN ANOTHER ACTION** taken at Wednesday's meeting, Harry Plymire was appointed to a vacancy on the board of directors of the local branch. He is a well known Villager and a theater operator in Desert Hot Springs.

Mrs. Homer Jenkins, chairman of Production and Sewing, issued an invitation to anyone who can sew, knit or cut patterns to attend the Friday sewing meetings. These meetings are held at 10 o'clock each Friday morning at the Community church.

**IN KEEPING** with the varied Red Cross program this year, Dr. Baldwin announced that Mrs. C. H. Baldwin was conducting a class in Home Nursing at the Palm Springs high school, with certificates issued to students successfully completing the course. A Life Saving Course will get under way very soon under

# Guiberson Plea Spreads To 115 Square Miles

NEAREST GOAL—Lyle Newcomer, chairman of 1949 Community Chest drive, receives reports from Mrs. B. H. Poliak, head of the residential division, indicating that her group is nearest the 100 per cent mark of any as the campaign nears an end. More help is needed at once Newcomer said, or some of the local agencies who are supported by the Chest must curtail their work. (Forney Photo.)

## Schools Do Part In Chest Drive Says Newcomer

Exceeding their 1948 gifts total, teachers and employees of the Palm Springs schools this week had contributed \$305 to the Community Chest, with more cards outstanding. The showing brought commendation from Chest officials.

The solicitation among teachers was directed by Arthur Hoff, manager of the Desert School district. The average of the contributions among the school people was one of the best of the Community Chest campaign.

**MEANWHILE**, the Chest appeal is underway among hotels and apartment owners and employees as leaders of the charity and youth fund drive struggled to bring the receipts closer to the goal for this year.

Hopes are dim for reaching the mark of \$43,000 but every effort possible is being put forth to reach every person who can contribute even a small amount. Lyle Newcomer, president said. Whether some type of re-solicitation or supplementary appeal will be decided upon in a last effort to obtain the money will be decided over the week-end.

**HARRY HARPER**, secretary of the campaign, reported yesterday that the residential division under direction of Mrs. B. H. Poliak came the nearest to its goal with more reports to come. The percentage of hotels and youth agencies, supported by the Chest, face drastic reductions unless additional funds are forthcoming.

## Al Malaikah Temple Plans Ceremonial Here April 30

George Sailor, Potentate of the Al Malaikah Temple, Oasis of Los Angeles, announced this week that Palm Springs has been selected for the Grand Ceremonial of the Shriners April 30.

Through the efforts of Lloyd Simon, Potentate Ambassador to the entire desert area, and Frank Ewing, convention chairman of the local chamber of commerce, the ceremonial, as in the one two years ago, is expected to bring several thousand delegates for the one-day affair.

According to William J. Dunkerley, manager of the local chamber, they plan to start receiving delegates on or about April 27, and it is expected the visitors will be here for the most part for about five days.

Businessmen and natives of Palm Springs who witnessed the most successful gathering of the Nobles two years ago are hereby urged by Dunkerley to start preparing for the invasion of the "conventionist group of men in existence" when they will again take over the town in their imitable way.

## Advertisements Emphasize Desert Weather is Back

As a start on chamber of commerce advertising and publicity for and of Palm Springs, William J. Dunkerley, manager, announced this week that the first paid advertisements for the Village under his supervision started yesterday in west coast metropolitan daily newspapers from Los Angeles to Seattle, mainly to counteract poor publicity recently acquired through whims of the weather.

Appearing in the Seattle Times, Portland Oregonian, San Francisco Chronicle, and in the Examiner and the Times, both of Los Angeles, the advertisements stress the fact that "Summer During the Winter" is again available here.

Placed through the chamber's Los Angeles advertising firm, Anderson-McConnell, the executive committee of the chamber felt the peculiar weather situation lately justified the placements for dispersing any adverse conceptions west coast inhabitants have received.

**IN ADDITION** to this, Dunkerley recapitulated the tremendous amount of free publicity received through the Palm Springs rodeo last week which was covered by four major newsreels who will reach 76,500,000 people through the medium of 4500 theatres throughout the country.

Also covering the rodeo was Telepix, the first news television company, represented here by Frank King; Acme Newspictures, International News Photos and Associated Press for the news syndicates, covering several hundred publications in the nation, and the five major newspapers of Los Angeles, the Examiner, Times, Daily News, Herald-Express and the Mirror.

And last of all, Stanley Gordon of Look magazine, who was here doing a feature story on "Amos" of Amos 'N Andy, is doing a rodeo story for his magazine. In the words of Dunkerley, "an auspicious start, thanks to our new publicist, Ted Sierks."

## Sign Ordinance Under Study Of Hotel-Apartment Group

Palm Springs Hotel and Apartment association held an important meeting yesterday afternoon at the Fiesta House of the Desert Inn at which the proposed sign ordinance was discussed by the members.

Featured speaker at the meeting of nearly 100 was Bryan Thompson, of the California State hotel association, who was introduced by the local association president, James Mann.

After Thompson's inspiring discussion of the strength and power of a good hotel association, especially applicable to a community such as ours where the percentage of hotels and apartments to other businesses is very high, the group went to task on the sign ordinance under the legal guidance of Saul Ruskin.

It was stressed that all recommendations for the ordinance must be ready by next Wednesday when it is scheduled to be brought before the City Council at its regular meeting.

**TO SAN DIEGO** Scheduled to attend the Police Chiefs of Southern California meeting in San Diego this afternoon is local Chief August Kettmann, who left yesterday for Los Angeles for conferences there last night before heading on down the coast for today's parley.

## Area Under Study Starts At City Limits

Hearing Scheduled Feb. 23 on Rezoning Of Large Desert Area

Samuel Guiberson's appeal for zoning of 18 square miles north and west of Palm Springs to permit construction of his cement mill started a chain reaction Monday at the county planning commission meeting with a major rezoning project as the result.

From Guiberson's 18 square mile area, the area facing a comprehensive zoning study, spread to 115 square miles, including the cement mill area.

**GUIBERSON**, through his attorneys William Shaw of Riverside and Zach L. Cobb of Los Angeles, with 20 other property owners in the vicinity, asked that the 18 square miles northwest of here be put in a special zone where industry may develop without county controls, but where no residential developments may be made. Such a zone is one of the various types outlined in the new county-wide zoning ordinance.

After considering the petitions, county planners decided to consider zoning of the 115 square miles and set February 23 at 10 a. m. as date and time for a public hearing on the project.

**THE NEW ZONE** plan covers territory from Palm Springs city limits to the northern county line and between a north-south line eight miles east of Banning to a similar north-south line east of Whitewater river.

It is traversed by Highways 111 and 99 and the cement mill site lies a little to the south of its center.

Tyler Suess, county planner, said Monday night that approximately 100 square miles from Palm Springs and Cathedral City to Indian Wells is also under consideration for special zoning but no hearing date has been set as yet.

**THE NEW ZONING** projects, under the county-wide ordinance adopted last December, are under close study of Village interests and plans are now being drawn for attendance at the February 23 hearing and a thorough study of all proposals.

## The PUBLISHER'S Corner

**PALM SPRINGS MERCHANTS** would enjoy a much greater measure of prosperity—and the whole community would be benefited—if our residents gave more serious thought to the advantages of trading at the local stores. As a matter of fact, the prosperity of local merchants is in direct proportion to the percentage of payrolls and profits that are turned back into local channels. The percentage now being spent elsewhere is unnecessarily high. By that we mean that the same merchandise can be obtained here at the same prices for like quality in most cases. And even though the price might be a little higher, the purchaser would still save more by buying here and benefiting from increased payrolls and profits.

Even though most of them must operate on a seasonal basis, Palm Springs merchants realize that their prices must be in line with stores in other communities for the same quality merchandise. And they ARE in most cases. These merchants do not expect or ask local residents to buy from them just on a basis of loyalty. They ask only that they be given a chance to supply the merchandise or service at a fair price. They point out that there are other advantages in buying locally besides keeping dollars at home. Our merchants stand back of their sales—are here to service many items. They give personalized service.

In other words, residents are asked only to give Village stores and service firms an opportunity to meet outside competition. If our residents will TRY to find what they want here—look around a little—the chances are that they can do just as well right in Palm Springs—in many cases BETTER.

The Desert Sun is sponsoring this "Trade in Palm Springs" campaign in the hope that our residents will give the subject some serious thought. There are many sound arguments in its favor. The contest which this newspaper is sponsoring also gives local residents a chance to tell about some of the many advantages—and win dollars for ideas. Read the details elsewhere in this issue and convince YOURSELF that it pays to buy in Palm Springs!

## Welmas Suit Scheduled in Court Today

Hearing of an injunction suit  
filed by Lorene Lugo Welmas to  
restrain Sheriff Carl Reymann,  
District Attorney William O.  
Mackay and Justice R. A. Moore  
from interfering with a bingo  
game at the Lugo Mission Indian  
trading post on the reservation,  
was scheduled for today in Judge  
O. K. Morton's superior court at  
Riverside. The hearing was con-  
tinued from Monday.

Mrs. Welmas contends the  
game conducted there is not  
gambling but educational. It has  
been raided twice by county of-  
ficers. Six men are under arrest,  
charged with violating the  
gambling laws of county and  
state. Their hearing, scheduled  
for last Tuesday, is also con-  
tinued pending decision of Mrs.  
Welmas' suit.

ARTIST—Lynton R. Kistler,  
dean of lithography, who will  
explain the art of sketching  
on stone at a library lecture  
Sunday evening.

## Lithography Art To be Explained In Library Talk

An unusual illustrated lecture  
will be presented this Sunday  
evening at 8:00 p. m. in the Wel-  
wood Murray Memorial Library  
when Lynton R. Kistler, dean of  
lithography, explains the tech-  
nique of sketching on stone.

Mr. Kistler, in his Los Ange-  
les studio, furnishes and pre-  
pares the heavy stones on which  
the artists draw with greasy  
lithographic chalk. He then  
etches the stones, prints limited  
editions from them and publishes  
the signed prints, which are to  
be exhibited for the next two  
weeks in the Palm Springs li-  
brary. Mr. Kistler is bringing  
stone and press to demonstrate  
the technique.

In the exhibition which Mr.  
Kistler will bring with him will  
be the work of such artists as  
Jean Charlot, the Mexican mural  
painter who now heads the Colo-  
rado Springs Fine Arts Center,  
Henrietta Shore of Carmel, Clin-  
ton Adams, Conrad Buff, Howard  
Bradford, Phil Dike, Myron Nut-  
ting, Millard Sheets, and many  
other regional artists.

The public is invited and there  
is no charge. However, since this  
type of demonstration is very  
expensive, the library would  
appreciate modest donations  
from library or art patrons.  
Checks can be made payable to  
the Welwood Murray Memorial  
Library.

Or so says Ray Lusby, in  
charge of donation sales for the

### Maybe it's Desert But We Have a Fleet

Riverside county may be most-

## Idea of Week Feature Begun By Dunkerley

Introducing what might be  
called an "Idea of the Week"  
feature, William J. Dunkerley of  
the Chamber of Commerce is  
starting a feature in his weekly  
news bulletin to chamber mem-  
bers by which the most interest-  
ing or valuable suggestion for  
improving, exploiting or adver-  
tising Palm Springs received dur-  
ing each week will be publicized.  
Dunkerley is calling this his  
"News Letter Laurel of the  
Week." The first of the weekly  
features comes in a letter from  
Earl Coffman of the Desert Inn  
as follows:

"Dear Bill:  
It might pay the local camera  
shops to issue something similar  
to the enclosed on a cooperative  
basis. Am sure it would increase  
the volume of gratuitous publi-  
city which Palm Springs receives  
from the amateur photographers.  
Sincerely,  
(Signed) Earl Coffman

The circular enclosed for Dun-  
kerley's consideration was from  
a photo-center in Tucson, Ariz.,  
in which, among many "Tourist  
No Loss in Fire

Firemen answered a call yester-  
day to 1133 San Jacinto way  
where they found an automobile,  
belonging to Lee Reid, which had  
backfired or appeared to have  
caught on fire. No fire-fighting  
equipment used. There was no  
damage.

Post.

## County Plans Stricter Law On Sanitation

Stricter county-wide enforcement of state sanitation laws will be provided in an ordinance today in the hands of Earl Redwine, county counselor, as a result of last Monday's board of supervisors meeting. The board instructed Redwine to prepare such a measure following request from the county health department which is now actively engaged in a campaign to clean up Indian lands.

County Health Officer Dr. Robert Westphal said U. S. department of interior attorneys had ruled that the provisions could be enforced on the Indian lands providing they are enforced in the rest of the county.

State law requires only that they be enforced in incorporated areas.

In brief, the laws would prevent further installation of sewage wells, provide for installation of septic tanks in homes not served by sewage disposal systems, control existence of privies in crowded residential areas and further insure that sewage will not get mixed into water supplies.

Dr. Westphal said they are minimum standards of sanitation.

Sewage wells, he said, are rapidly destroying water storage basins.

## South Sea Film Is Shown Here

"Island Under the Wind," a film of the alluring South Seas, was shown Sunday evening at the Desert Museum by Mr. and Mrs. Perce Marples, who spent one year on the Island of Tahiti and other islands in French Oceania. The Marples have exclusively shops in Balboa and on Balboa Island but have recently opened a shop here on Amado road.

A short film of the exotic modern dancer, Sheritta who danced at the Allied Art show, Friday, January 28, was an added feature.

## Great Books Discussions Group to Renew Activities For Season Next Wednesday

People in Palm Springs will have their say about the Declaration of Independence next Wednesday night, Feb. 16, when the Great Books Discussion Group, sponsored by the Wellwood Murray Memorial library, opens the first of its series of meetings at 8 p. m. in the Children's Wing of the local library on Palm Canyon drive.

Meeting every two weeks for informal round-table discussions of assigned readings, this group will follow a program which covers selections from the works of the greatest thinkers and writers of all time.

CO-LEADERS of the Palm Springs group will be Melba Bennett, member of the board of trustees of the library, and Lloyd Mason Smith, director of the Desert Museum.

The group leaders assert that the best way for a person to find out what these Great Books meetings have to offer is to attend the first one and see it in action. Members say what they think . . . arguments are tossed back and forth across the tables. . . and nobody ever loses these arguments. Everybody is forced to think, so everybody wins. The typical Great Books group avoids lectures and formal classes.

THE WHOLE IDEA behind the program of the Great Books Foundation is that a free and open discussion helps people to understand what they read, and that reading and understanding and talking about the great books is an exciting experience within the reach of everyone, regardless of past training or education. Some Great Books participants are college graduates; some have never gone beyond grammar school. The only prerequisite for group members is ability and willingness to read. The first Great Books group

## Somebody, Not G. Washington, Slept There

An uninvited visitor took advantage of some un-given hospitality Sunday night when he broke through a window of the El Morocco Annex, Indian avenue, and utilized the facilities of the room—in other words, he (or she) slept there.

According to the report turned in to the police station, nothing was taken from the room.

## Repeal of Zoning Law Aim of New County Society

Riverside County Citizens Non-partisan Protective association is the newest county organization and its expressed aim is repeal of the county-wide zoning law.

The group was organized Sunday at Elsinore with Jack Norval, Elsinore contractor, as temporary chairman. Another meeting is planned next Tuesday in Banning.

William Shaw, attorney for Sam Guberson whose proposed cement mill near Palm Springs precipitated the zoning law, was one of the speakers at Sunday's session.

The ordinance under fire was adopted at the end of December and provides for control of heavy industry and laid down rules for future activation of more specialized zoning.

## Educators Join Dog Law Drive

County Elementary Schools Principals and Superintendents' association joined in the campaign for a county dog licensing measure Monday when the representatives appeared before supervisors. Their plea was based on protection for school children from rabies.

Supervisor James I. Easley from this district, who has been working on a licensing measure, told them action would be forthcoming soon.

## Talent Tips

By TESSIE TENTPOLE

Have you suffered recent disappointment in the theater world? Did Broadway reject your efforts, or did Los Angeles laugh when you got up to sing? WE WON'T laugh if you try out for the Insanities, February 4th, Monday, 7:30 p. m. at the Frances Stevens School Auditorium.

In fact we welcome all sorts of old worn-out rejected talent, along with the fresh sparkle of those with ability not yet premised. So if you've a yen to shake a leg as a chorus dancer, male or female, come down to the auditorium on Monday night.

Tuesday night, February 15, auditions will be held for tumbler, acrobatic dancers, and trained seals. Date for try-outs of songbirds will be announced later, however, you may apply now by calling Melba Bennett at 2193.

Remember that the Insanities will have a Circus theme this year, and February 14th is Valentine's Day, so please make your act as near like a Comic Valentine as possible. Who knows? You may be just the type to be shot out of a cannon while singing, "If I Had the Wings of An Angel."

## County Woman Wins State Post

Dorothy Hall of Hemet, candidate in last fall's state assembly race in this district, was elected vice-president of the California Republican Assembly when the state organization met at Santa Barbara last week-end. Ernest West of San Francisco was elected president.

Philip L. Boyd was one of the county's delegates to the session.

## Thousand Palms To Stage Second Program Tuesday

Next event in the Thousand Palms program looking toward the building of a new church will be held next Tuesday evening at the Desert Moon Guest Ranch there. It was announced today.

Square dancing to the music of Mr. and Mrs. Guy Merrill and their son, Don, and several surprise attractions will feature the evening. Refreshments will be served.

The series of events at the guest ranch are designed to raise funds to erect a church at Thousand Palms on a lot donated by Shandra La estates. First of these events was held last Tuesday night and proved highly entertaining and a great success.

## Bishop Buddy To Visit City

Scheduled for a Palm Springs visit today is the Bishop Charles Francis Buddy, D. D. L. D., Bishop of the San Diego Diocese, which includes the Village.

Bishop Buddy will give confirmation and blessings at the schools, convent and church.

## They'll Leave Town

Jailed last weekend as drunks, and appearing before Judge Eugene Thierau Monday, Roland McSwain and Sandro More were each given ten days suspended sentence with a two-year floater proviso.

Abraham Lincoln took time out from his Presidential duties in 1862 to answer an editorial published by Horace Greeley urging that Lincoln immediately free the slaves.

## Desert Area Goal of Roads To Romance

Roads to Romance association will make the Shadow Mountain Club and Indio their goal on Washington's Birthday, according to announcement sent members this week.

The Riverside County Fair and National Date Festival will attract members in the morning and afternoon and Shadow Mountain Club will be the gathering spot for the big luncheon event at noon.

IT WILL be the first event of the new year for the association which periodically makes trips to historic and scenic spots in the southland.

The program for the association jaunt includes the parade at 10 a. m. in Indio and then a ride to Shadow Mountain, nine miles away, through the date gardens.

At Shadow Mountain they will be greeted by Cliff Henderson and meet in luncheon session.

THE AFTERNOON program calls for a return to Indio to the Fair Grounds for the camel races, horse show and fair exhibits in the afternoon and Arabian Nights pageant at night.

David Olmstead of Long Beach is secretary and now taking reservations from members.

Many Villagers are members of the association.

## Dark Canyon Camp Proposal Meets Protest

Forestry service differences with county recreational department officials over a site for a 4-H camp in San Jacinto mountains near Pine Cove were aired before supervisors Monday.

M. A. Parry, county official, asked that popular Dark Canyon be set aside for the campsite and Donald Bauer of the forestry service said it would be harming many to benefit a few to establish the camp there.

Bauer said he would aid the recreational department finding a site for the camp but did not want Dark Canyon, visited annually by 3000 people, closed to all but 4-H members.

No action was taken by supervisors.

## Desert Riders Review Plans For Horse Show Event Here As Major Village Attraction

By ANTHONY BURKE

With a moonlight supper ride planned for this week, the Desert Riders and guests have entered their 19th year of riding, interrupted only during the war years. Besides affording healthful recreation to members and their friends, this pioneer club has been responsible for construction and maintenance of many miles of riding trails in the canyons and mountains hereabouts. Most of the club funds, together with generous donations from visitors from time to time, have been used for this purpose.

At recent breakfast meetings held on the desert around a chuck wagon, two decisions of a more far-reaching nature were made. One was to apply for membership in the California State Horsemen's Association and the other was to campaign for an Annual Horse Show.

MEMBERSHIP in the state organization will further the wide interest already taken in horsemanship on our desert and is at least the courteous thing to do, seeing that they are to hold their annual convention here in October, 1950.

The Desert Riders voted last week to go on record as being wholeheartedly in favor of all equestrian clubs in this area sponsoring an Annual Palm Springs National Horse Show. These very social events, to-

gether with a Hunt Ball and many house parties are tremendously successful each year at Santa Barbara, where they run for six days. Flintridge has one, as does Menlo Park for the folk near San Francisco. Far less prominent towns than ours in California hold a horse show each year and appreciate their importance to a community.

SUCH AN EVENT is more important to a nationally-famed resort like Palm Springs, and we are accustomed to playing the host to wealthy guests. It takes a person with means and leisure time to travel around the country showing "blue-blooded" gaited and harness horses; jumpers and hunters; stock and trail horses; ponies and hackneys. Horses costing many thousands of dollars are transported hundreds of miles by owners and grooms for merely another blue ribbon or "Best of the Show."

Not only the riders of horses in this region, but all hotel owners and service club members should get behind such a project as this, if they are at all interested in seeing Palm Springs regain its former lead as a desert resort.

Capt. C. F. McCracken, supervisor of substations for Sheriff Carl F. Reyburn and well known in the Village, was Tuesday elected president of the Riverside Sheriffs Training Center.

During the past year, reports at the annual meeting in the sheriff's office disclosed, new buildings and a water system were completed at the center near Riverside. Modernization of the pistol range where many local officers have competed, is planned this year.

Walter V. Pittman, former board of supervisors chairman, has been named to head the annual American Cancer Society fund appeal in 1949 in Riverside county. The drive will be held during April, association headquarters announced Tuesday. April has been designated by congress as National Cancer Control month.

## Realty Licenses Show Sharp Gain

The number of real estate licenses in effect in California during the first half of 1948-49 fiscal year was 75,012, or 5123 more than during the similar period of the 1947-48 fiscal year.

This is according to a report by State Real Estate Commissioner D. D. Watson.

The increase occurred despite a decline in the number of examinations given and the number of original licenses issued, the report said.

In the first half of the current fiscal year there also were 8164 business opportunity licenses as compared with 6943 in the same 1947-48 period.

## Students Prepare Designs For Dwellings in Desert

Problems in designing a all-season desert home to meet climatic conditions of heat or cold, as well as continuous bright sunlight, were submitted recently to 17 sophomore students of the School of Architecture, S.C., by Prof. Clayton M. Baldwin.

Specifications also required that the project be economical in construction and theoretically located next to sloping hills or rock formations.

The students have produced 17 scale models, each designed to portray the spirit of the Californian desert and tailored to its surroundings.

Using the three-dimensional architecture plan, each student began with a rough skeleton.

Then came the models to give perspective, which brought out unforeseen problems of construction as the design progressed. Floor plans gave the final details.

Climatic conditions were met in various ways. Windows and glass frontage with wide sweeping views were arranged to admit light at an angle, but to keep out the heat of the sun. In some models overhanging louvers or slats, together with egg-crate lattice work, were used.

Another model called for a double roof for air circulation. Typical was the use of wide eaves for shade. An occasional water pool in the terraced desert gardens gave the suggestion of coolness.

Along with modern innovations for simplified housekeeping, the students have specified air conditioning. Each living room calls for a large fireplace for winter conditions. There is a built-in couch for overnight guests.

Mostly utilized were concrete flooring, plywood panels or rubble walls and redwood construction for ease of handling.

The use of native rock helped to decrease construction costs. Principles of cantilever construction on large overhanging areas also have been studied by the

"The problem of adapting tailor-made home planning to meet specific conditions in true California style is one faced by most architects, and we believe that training of students should be practical as well as theoretical," said Prof. Baldwin. # Life of Lincoln Subject Sunday At Palm Desert

The Life of Abraham Lincoln will provide the topic for Dr. J. R. Macartney at Palm Desert Community church next Sunday morning at the 11 o'clock service.

"From the obscurity of a log cabin in the wilderness to the presidency and the altar of martyrdom, the story of the great emancipator's career is one of the most precious possessions of the American Republic," Dr. Macartney said in announcing his sermon.

At the close of the service which will be held in the outdoor auditorium a business meeting will be held to elect officers, to vote on a charter and on the name under which application for the charter will be made.

All persons in the desert area from La Quinta to Rancho Mirage are especially invited to this meeting and to join in the establishment of the new church.

# Community Church Affairs In Fine Shape is Report

Eighty members and friends of Community Church met recently in the new social room of the church in the annual meeting of the congregation.

Carl Lykken, clerk of the session, reported 92 members received into active church membership during 1948 and a present membership in the Sunday School of 285. Reports from the various activities of the Sunday School, Youth work, and Women's Circle showed increasing interest and steady growth in every department.

Mrs. William H. Veith, Sunday school superintendent, told of the depressing effect of the depression on the church. The church sponsors Boy Scout Troop No. 56 under Scoutmaster Harry Hill. Mrs. William Lippman, chairman of the Women's Circle, received enthusiastic applause when she reported that the women have made about \$100 on their Bazaar. Robert Hughes Mitchell gave a report of the choir work, which now includes five active chorals groups, each contributing special music at the various services. The Chancel Choir which sings regularly at the morning worship service now includes 28 active adult members.

The report of the building committee was very satisfactory and all were highly pleased with the remarkable achievement accomplished in less than a year. The major portion of our total building project has now been completed at an expenditure of approximately \$140,000. The building committee pointed out that if the congregation can raise an additional \$25,000 that

the rest of the program could then be completed before next fall. The present enlarged facilities, which have provided Sunday School department and class rooms, social room, kitchen, choir room and ladies parlor, and also greater seating capacity in the church sanctuary, are being used to good advantage.

Special recognition was made of the services of Charles S. Henderson, who has served the Community Church as treasurer for twenty years and a resolution of appreciation for his loyal service was unanimously adopted by the congregation.

Carl Lykken and John W. Williams were elected to the board of elders. Arthur M. Petersen, a winter resident of Palm Springs, was elected to fill the vacancy on the board caused by the sudden death of Howard Ames. Mr. Petersen was ordained as an elder at the morning church service last Sunday, Feb. 6.

Four trustees were re-elected to office on the board of trustees including Charles S. Henderson, Miss Maude McQuillin, Charles McDonald, Miss K. Finchy. Officers of the board for the year 1949 are Mr. George B. Davies, chairman; Miss Katherine Finchy, secretary; Mr. Charles S. Henderson, treasurer; and Bill Lux, assistant treasurer.

The congregation expressed appreciation to the members of the Building Expansion Program committee for their service to the church and to Charles McDonald who has been the Building Fund treasurer.

The Annual Budget Drive for the current running expenses of the church is being conducted this week under the chairmanship of John W. Williams.

# Canon Lief Will Speak Sunday at Episcopal Church

The Rev. Richard Lief, Canon Missioner of St. Paul's Cathedral and superintendent of the Episcopal City Mission Society, Diocese of Los Angeles, will be the guest preacher this Sunday at the 11 o'clock service at St. Paul's in the Desert, Episcopal church.

Canon Lief was born in Brookline, White Russia, and was brought to this country quite young. A Master of Arts of Columbia and Bachelor of Divinity of the Episcopal Theological School, his ministry has been chiefly among the underprivileged folk in great crowded cities like Boston, New York, Providence, and for one year at the Universities Settlement in London, England.

"The Episcopal church is proud of him and esteems him highly for his sacrificial work in the Diocese of Los Angeles," said the Rev. Robert M. Hogarth, rector of St. Paul's.

Rev. Hogarth will speak to the adults at the 9:45 Family service, while the children are at their classes, on the Book of Common Prayer. This year is the 400th anniversary of the publication of the first prayer book on June 16, 1549 in the reign of Edward VI.

**Rev. Blackstone Talks on Creed**

At the 11 o'clock service at Community Church Rev. James H. Blackstone, Jr., pastor will preach on the subject "I Believe." This message will introduce a series of sermons on the Apostles' Creed which will follow during the next two months.

Mrs. Violet Fowler will sing "O Lord Thou Hast Searched Me" by Grace Bush.

A nursery is conducted during the morning service for the care of small children. Parents are invited to take advantage of the nursery.

**Pastor Carter Speaks Saturday**

## Wandering About With Marj

By Marjorie Grant Pohl

I Saw:

COLONEL and MRS. GEORGE MCCOY JR. of March Airbase lunching at the Town and Country with MR. and MRS. AUSTIN MCCOY of Vancouver, Washington, climbing the stairs for the spots "Eye Opener" BOB MCKENZIE and JANE KAISER (who is one of our frequent Los Angeles visitors) . . . MR. and MRS. GAVIN HERBERT breakfasting with EARL and KAY CORDEY, Los Angeles' DR. and MRS. PAUL LE VAN and MR. and MRS. MEL BURNS of Long Beach . . . the FRED MARKHAMS dining with the WILLIAM DEANS of the Smoke Tree Colony . . . CAPTAIN JOHN BACKLAND of Seattle, who is Racquet Club vacationing, lunching with MRS. WILLIAM DILLS also of Seattle, but currently staying at the Oasis Hotel . . . colorfully western garbed Villagers TRAV ROGERS and FRANK BOGERT pausing to exchange greeting of the day with your columnist, subject, the Desert Circus which promises to be one of the best we have ever had . . . incidentally while chatting with the twosome noticed two photographers busily snapping pictures of the brilliant colored flowers which are in bloom in the patio of KEN COLBORN'S the Center . . . always wonder why more Village business people don't make their spots as colorful with easy to grow flowers . . . wonder if we can gab about the idea till it succeeds as did PHAT'S benches . . . (doubt that it is what the boss pays us for—maybe we'd better leave the editorializing to PHAT with "FLOWERS add color to our Village" as a free gratis motto.)

JIMMIE DAVIS'S the Stables so jammed with food and frolic funsters that we had trouble finding the door . . . wending their way into the dining room MR. and MRS. JIM KENASTON with a large party of friends . . . at the bar KAY NOBLE HUGHES and GEORGE GANNON had corraled a couple of stools to perch upon (which is more than most of the crowd succeeded in doing) . . . MORT KALLIS pushing past looking very Western in a black and white cowboy outfit . . . DOROTHY DUDLEY, who is back from a summer in Europe, as well as being back on the air again over the local radio station, was quickly lost from view in a whirling throng of dancers . . . the EARL NEELS and the WENDELL DELANOS swinging into a square dance . . . MARIE BELEYA, LEONE INMAN and DOROTHY FANNING counting Villagers with VIRGINIA PAUL . . . MR. and MRS. AL EPSTEIN dining with a group we didn't recognize.

Into Lee Bering's where the HARRY REIDS and RUSSELL WADES were a foursome—which reminds us the REIDS made a striking looking couple riding their beautiful palominos in the rodeo parade on Saturday—FRANK MORGAN at Lee's ditto DOROTHY LEVIN . . . dining MR. and MRS. GLENN B. AUSTIN of Los Angeles (chrysler dealer) had seen them earlier in the day at the Racquet Club . . . MR. and MRS. ARTHUR LAKE (Dagwood of movie fame) dancing . . . EDDIE BUZZELL, the famed director, with LORAIN MILLER . . . TOMMY BREEN, MGM actor entering just as we exited . . . the DOUG KENASTON dining with LOU JEHLINGER and DAVE BIXLER who was down from Los Angeles . . . MRS. CLIFFORD HEINZ with a party of friends. 'Twas the first time we had seen her since she returned from Pittsburg.

Here and there . . . Dunes dining character actress MARJORIE MAIN with impersonator ARTHUR BLAKE . . . VIRGINIA and HANS KHELMET with GEORGE SHEAHAN whose MRS. was due to arrive yesterday . . . the new owners of the El Picador MR. and MRS. LOUIE POLIN hosting a party at the Town and Country . . . three chauffeured cars in Bering's parking lot—can't say its not the newest color even if it does make you blink . . . back at the Desert Inn the CARL SHANKS of Long Beach and their friends the E. L. DECKERS, former Village residents . . . did you notice their daughters DONNA DECKER and MARGARET SHANKS ride off with the "best dressed western pair" at the parade? . . . MR. and MRS. SOL LESSER hosting a delightful dinner party that included RAYMOND LOEWY and his pretty bride, the OLIVER JAYNES, MEDINA BORDEN and the Explorer's Club prey LOUIS COTLOW. He is houseguesting with the LESSERS . . . incidentally we suspect the COTLOW-LESSER combination will at least come up with an adventure picture to add to the current Tarzan productions of Lesser's.

At the Chi Chi Villagers MR. and MRS. PHILIP LESTER entertaining Saturday night for a group of out of town friends that included Angelinos MR. and MRS. MAURICE FARRELL, MRS. JAMES ROOT of Long Beach, Seattle's MR. and MRS. RUDOLPH ESPASMER, MR. and MRS. HUGH HUNT of Hollywood, the WILLIAM HARLEYS of San Marino, and MR. and MRS. ARTHUR MORTIMER of Encino . . . the following night saw many of the same group enjoying the entertainment doings at the Palm House . . . a party that really moved about town was hosted by MR. and MRS. JOSEPH TIANO of New York who are new homeowners here . . . the presence in Palm Springs of a fellow New Yorker their houseguest PHILIP LEVITT (he has a seat on the New York stock exchange) . . . The group which also included MRS. MACE GAZDA and her brother-in-law EDWARD WALLER and MR. and MRS. WALTER MCMAHUS started the evening off by dining at the Chi Chi, then trekking to Lee Bering's for dancing there and finally on to the Tennis Club to finish the evening listening to RAY WHITTAKER'S music . . . catching the late show at the Chi Chi were MARY BROWN and WIN SINGLETON, who earlier in the evening had dined at the Doll House with DR. SCROGGS SINGLETON and WINIFRED DE VOE . . . they had just put the DR. and MISS DE VOE on the bus for Los Angeles—all because SCROGGS usual mode of travel via airplane was impossible due to bad weather in the pass . . . also watching the show ESTHER GILBERT with a three-some of friends.

Dining at the Tennis Club MR. and MRS. EARL C. ANTHONY. . . DR. and MRS. OMAR FAREED of Beverly Hills with MISS FRANCIS GLADWIN and WARD ALBERT . . . MR. and MRS. ROBERT BARKER and HOWARD THOMAS of Los Angeles with MR. and MRS. JACK DUNBAR, designer Georgia Bullock who have taken a house here for a month of desert sunshine . . . B. F. SHEARER dancing with his daughter SANDRA who we saw later in the week trying out the swimming pool at the Racquet Club in company with NACIO BROWN JR. . . only catch to the swim NACIO and SANDRA had, was that they were fully clothed for street wear not swimming. . . onlookers still haven't decided who threw or pushed who in, but it can be reported that they certainly must love swimming!

MR. and MRS. GEORGE BELL with their son BOB and daughter MARTHA at the Doll House . . . HELEN JUMPER with her daughter CELESTE . . . movie lands MR. and MRS. EDDIE SUTHERLAND a twosome . . . DR. and MRS. RALPH DUNCAN with their sons CHARLES and ROBERT SMITH and long time Village resident ZADDIE BUNKER . . . MRS. J. DARSIE LLOYD, who is just back in the Village, there with MR. and MRS. WHELAN of New York . . . DOTTY HIGGINS and BUD HILLERMAN with the ELMO PURNELIS . . . JIMMIE DUGAN, former Palm Springs turned motion picture actor, chatting with JACK WILSON . . . MR. and MRS. MAURICE SMITH with BOB DART . . . dining solo BARRETT O'SHEA of the House of Modern Interiors . . . famed pianist BERT SHEETNER who performed in the Hollywood Bowl recently and who composed S. O. S., the first jazz symphony introduced by Paul Whiteman, taking over (around 2 a. m. time) at the piano at the Doll House to the complete enjoyment of friends . . . saw him again the next night at the Steak Ranch with equally famed physician DR. MAX RUBENSTEIN . . . MRS. GEORGE TOPPER with the DICK ATTERBURY at the Doll House while MR. and MRS. DAVE ROSS (Loewy Company) dined as a duo.

Around and about . . . Trekled out to Wonder Palms just in time to catch the end of the buffet hour at that spots new Sunday night party—the buffet was without question one of the most beautiful and complete we have ever seen . . . Villagers MR. and MRS. DAVID MARGOLIUS were but two of the hundred or so Villagers who caught the first night of the weekly event . . . paused by the Steak Ranch enroute back to the Village and found MR. and MRS. FRANK SINATRA dining there with LEO FIELDS, and PAUL DUDLEY. Frank's writer who is also the husband of talented JOYCE HODGES. She sang in last year's Village Insanities . . . flying back into town, after having used the same manner of transportation to attend a wedding in Seattle, DOROTHY WALL, who is vacationing at Lantana Lodge with her parents . . . ## Business Women Learn All About Square Dancing

"Put your little foot right down"—That is just what the Business Women's Club did Monday night at the Del Tahquitz Hotel for their Valentine's dinner dancing.

Opening the evening's entertainment, Mildred Veano, president, introduced "Skipper" Partidge, emceeding for the club, and responsible for the Howdee Dowdee Rhythm Riders and their typical square dance music. Caller, Harry Kester and eight of his students gave an exhibition on how square dancing is done in Palm Springs. Leading off the dance for the evening was dance director Roy Randolph and Esther Gilbert, being joined by the club and their guests. Hotel guests were invited to partake of the hilarity, and the business girls proved that Valentine is a season of heart-felt relations toward everyone. Climaxing the dance by being more discretionarily rhythmic, Roy Randolph and Marion MacCartan danced the Missouri Waltz.

Due credit goes to Jennie Leonezio and Adelle Brott for the artistic table decorations.

Upper left are Mr. and Mrs. Ellsworth Thiel of Astoria, Oregon, and Mr. and Mrs. Lawrence Thiel of Ritzville, Washington, who are vacationing at the Del Marcos Hotel—the two Mr. Thiel's being cousins. Ellsworth Thiel, owner of the Fiesta Club in Astoria, invites everyone to the Columbia River Salmon Derby which is held every year the latter part of August. Lawrence Thiel owns and operates a wheat ranch in Ritzville.

Upper right are Mr. and Mrs. Jerome Linder of New York City who were married at the Waldorf Astoria and are spending their honeymoon at the Palm Springs Biltmore. Mr. Linder is a partner in the insurance business in New York City.

The couple in the center are Mr. and Mrs. Edward S. Bice of Marquette, Michigan, who are spending their second season at the Tahquitz Vista. Mr. Bice was associated with the First National Bank and Trust Co. of Marquette for 58 years and is still chairman of the board. They celebrated their 35th wedding anniversary last October.

Lower left, Mr. and Mrs. Sascha Lautman, Viennese portrait painter, at the Tennis Club where his painting are being exhibited in the Lanai Room. For three years, Mr. Lautman was resident portrait

painter of the Vatican. His portrait of Paderewski is the only one officially accepted as a true likeness. Mr. Lautman became an American citizen in 1935 and designed planes for the American Air Force in World War II. Mr. and Mrs. Lautman make their home in San Francisco and Pebble Beach.

Lower right are Mr. and Mrs. Edwin Scheeline, Jr., of San Francisco, who are celebrating their 15th wedding anniversary at the Biltmore Hotel, this being their second season at the hotel.

## Gold Rush Days Feature Unique Birthday Party

Pint-size prospectors gathered at Moorten's diggin's on South Calle Encelia last Sunday to stake their claims in "Clark's '49 Gold Rush," a unique party given by Villagers Pat and Slim Moorten honoring their son, Clark on his sixth birthday.

"Gold is where you find it," but, "All is not gold that glitters," was the warning signal as each of the 24 children donned miniature miner's helmets and the hunt was on! The games were original and designed especially for this occasion.

Everybody struck it rich with pouches of dazzling dust and sparkling ore for all.

Shovel place-cards and ore-bucket nut-cups drew the treasure seekers to the table for grub box goodies of gold-brick ice cream, liquid-gold punch and gloriously decorated gold cakes in which were baked good-luck nuggets giving added fortune to those who found them.

Mr. and Mrs. Claude Spreckles of Menlo Park are the guests of Mr. and Mrs. Ray Alford, who are spending the winter season at El Poco Lodge.

Milt Hicks entertained a group of the very young smart set Friday evening with dinner at the Palm House followed by a theater party at the Plaza. Enjoying the evening of fun with Mr. Hicks were his nieces Jean and Gail Hicks, Jimmy Pye and David McManus.

## I Rise to Remark

The Taft-Hartley law, as you call it, or the Labor Management Relations Act, 1947, as we call it, was passed over the President's veto by a vote of 331 to 83. On that vote, 106 Democrats voted to make the bill a law, and 71 voted to sustain the President. 225 Republicans voted to override, and 11 voted to support the veto. The 1 Independent voted to support the veto.

Union leaders attacked it; not

all of them, but those whose power over union members would be lessened. It was called the "Slave Labor Bill," but that attack was dropped like a hot potato when it was found that union men didn't look on it as a slave labor bill.

There was more labor peace during the 80th Session than during the 79th Session, and more than is now apparent for the 81st. Union men took home

a billion dollars, in real money, more than they would have taken home, had it not been for the T-H Act, on the basis of previous labor history. The wives of union men spent that money, just like other wives.

THE ACT was an issue in the 1948 campaign. It was not the only issue. Claims that it was the defeating issue cannot be supported by the facts. Men who voted for it, and men who voted against it, were defeated, and elected. In a Pennsylvania special election, where the issue was the T-H Act, a Republican running on that platform won in a district strongly labor and previously Democratic, and was re-

elected last November. In a Washington election, in a labor district, a Republican who had voted against it was defeated. A majority of the present House, and of the present Senate, voted for the bill and to override the veto. Time and time again I talked with union members from the Seaman's Union, to the skilled trades, and when they asked about the T-H Act, I asked in turn, "Have you read the Act?" Few had actually read it. The T-H Act guaranteed the union member these rights: (1) the right to work; (2) the right to vote in an election to determine if union membership was to be required; (3) the right to vote on an employer's offer be-

fore striking; (4) protection of his right to strike if he so decided; (5) protection against communist leadership; (6) protection against excessive initiation fees; (7) the right to organize and to bargain collectively; (8) protection against political assessments; (9) protection against loss of work through jurisdictional strikes, and secondary boycotts; (10) the right to know how his money was spent; (11) the right to form craft unions, for skilled workers; (12) protection against being fired for failure to pay union dues; (13) protection against being forced to strike against his own wishes; (14) the right to sue, in case of an illegal

strike; (15) the right to express himself on union matters; (16) protection of the welfare fund, against either employers, or labor leaders.

IN THIS CONGRESS, the committee on Education and Labor, which in the Republican Congress had 15 Republican members and 10 Democrats, now has 16 Democrats and 9 Republicans. The committee chairman is Congressman John Lesinski of Detroit. The subcommittee on the Taft-Hartley Act has 7 Democrats and 5 Republicans.

On Wednesday February 2, each member of that subcommittee received the following tele-

gram from U.E.C.I.O Local 768, of Dayton, Ohio:

Urge you to act for immediate repeal of Taft-Hartley and restoration of Wagner Act. Strongly feel no debate necessary. One day's action is sufficient. Delay serves only to hamper our contract negotiations opening now and to give T-H supporters time to organize further.

The Wagner Act, at the time of its repeal, was so unpopular that amendments or repeal were demanded by employers and by union leaders.

On Thursday morning February 3, the subcommittee met and by a vote of 6 to 5, with one member absent, and without a

hearing, voted out a bill to repeal the Taft-Hartley Act, and to re-enact the Wagner Act. As this is written, the full committee has not acted on the bill.

When the Taft-Hartley Bill was originally under discussion, hearings were held for many weeks, and my recollection is that a million words of testimony were taken, from anyone who wanted to testify. Yet one member of that committee screamed to high Heaven, in the committee, on the floor, and in the corridors that not enough time had been given people who wanted to testify; that the bill was being rushed. Who was that member? Mr. Lesinski of Detroit.

**Car is Wrecked But He's Unhurt**

Shearing a telephone pole at 1984 N. Palm Canyon Drive as he returned home last week, Kenneth Colborn, Jr., made a wreck of his car—but suffered only a few scratches. He was taken to the Community Hospital for examination and released shortly as ok with only a few pieces of plaster bandage necessary.

# Cathedral City Asks Action On Zone Law

Cathedral City leaders took another step this week in their effort to acquire detailed zoning regulations for that area.

In a letter to supervisors, read at Monday's meeting of the board, officials of the Cathedral City chamber of commerce asked that they get behind the county planning commission and effect a speedy activation of detailed zoning under the framework of the recently-enacted County zoning ordinance.

Supervisors wrote a letter in answer to the effect that the planning commission is moving ahead on the plan as fast as it can and that the supervisors will give the plan any assistance it can.

The Cathedral City chamber of commerce, said cheap buildings are going up in that area every day and lowering values of surrounding property.

## Ten Children Happily Tote Presents Home

As the first of eight "Give-Aways" at the Palm Springs Village theater got under way last Saturday afternoon, 10 children were made happy by the receiving of 10 "Chubby" dolls.

The youthful winners included: Ben Rose, Ligi Goff, Arleen Larimer, Valari Hubbs, Phyllis Peeler, Rose Zinchuk, Sandra White, Bill Sandeffer and Julie Ann Salazar.

It is stressed by the management that all boys and girls, ages 6-10, must get their coupons in for prizes tomorrow afternoon. There are 70 more dolls to give away, and may be seen in display in the lobby of the theater.

## Cathedral City News Round-Up

The business of sign painting has been added to that of rug cleaning and upholstery in the Scherck's establishment next door to the fire hall. They were so pleased with the lettering they had done on their windows by E. Clemens, who for 25 years was the sign contractor for city lettering in Los Angeles, that they offered to give him the facilities of their shop to help him get started here.

Mr. and Mrs. A. Liston of Riverside were in town on Monday checking up on the fire which took place Sunday in one of their rentals at the corner of Plumley place and Cathedral Canyon drive. The amount of damage has not yet been determined.

Warner Moon, librarian, wishes to thank the Desert Tent and Awning company for the donation of an electric clock to the library. He broadcast an appeal for a clock a month ago through these columns.

Improvements on the town hall are going on almost every night in preparation for the Cactus Jumpers Jamboree and the first meeting of Desert Associates. Wilber Larison and brother-in-law spent last Saturday making alterations in the store room at the former fire hall. They cut a door from the kitchen, moved the cupboards out of the hall, changed the piping, no small job in itself, and are making a table for serving.

## Community Sing Will be Repeated

James Kyle, organizer of the new Community sing said they consider the first one a success, as over twenty turned up at Warner Moon's house to take part in the new enterprise.

The development of a chorus for Cathedral is secondary to the development of good fellowship and enthusiasm. Moon was the song leader and Josephine Moon played and accompanied. An extempore quartet sang "Massa Dear" by Dvorak, and Warner sang a favorite solo by request. Everybody voted to meet again this coming Sunday at the same place, bringing other singers with them.

The new books are arriving from Los Angeles called "Twice 55 plus Community Songs." All are welcome who like to sing. Those present last Sunday were: Mr. and Mrs. Warner Moon, Mr. and Mrs. M. D. Burns, Mr. and Mrs. Leslie Kelley, J. C. Kelley, Mr. and Mrs. Ross Davidson, Miss Lydia Engh, C. E. Tambling, H. King, Mrs. Cora La Baum, Jack Wates, Ed Strickler, Ruth Cavannah, Mr. and Mrs. Mildred Kaiser, Dale Curry, Robert and Jack Hillery and James Kyle.

## Albert Vertchamp To Give Concert In Palm Springs

Albert Vertchamp, concert violinist of note and resident in Cathedral City for some years at C street and Verbena lane, is giving a concert March 13 at the Palm Springs Woman's club house for the benefit of Cathedral City Woman's club benevolence.

For some years Mr. Vertchamp has been leading violinist of the M.G.M. concert orchestra, but previous to that he was concert violinist with the Los Angeles Philharmonic orchestra when Dr. Arthur Rodzinski conducted. At various times the Vertchamp string quartet has given chamber music recitals, and while in New York Mr. Vertchamp appeared in concert recital at the Carnegie hall three times during one season alone.

Mrs. James Giegge, president of the Palm Springs Woman's club, a well known musician herself, expressed pleasure in the opportunity this concert will give music lovers and said she hoped it would reach a wide enough group throughout the entire valley to make more frequent concerts by Mr. Vertchamp possible.

## Americanism Topic of Month

At its regular meeting Tuesday Mrs. Harold Lineau, district Americanism chairman, will define the Americanism program of the American Legion Auxiliary. Mrs. Robert Ellsworth, unit Americanism chairman will have charge of the meeting and will give instruction on flag courtesies and meeting courtesies.

The meeting will be presided over by the president, Mrs. Jay Morrison, who will conduct the regular business session. "The month of February is always recognized as playing a great part in the history of our country. Two great Americans were born during that month, Abraham Lincoln, 'The Great Emancipator' and George Washington, 'The Father of Our Country.' It is fitting therefore that an organization founded on perpetuation true Americanism should set aside this month for its special study," said Mrs. Lineau.

## New Record Set By Honor Society

More students are on the scholarship society this semester than ever before in the history of Palm Springs high school.

To be a member of this society a student must have ten semester points, as only the semester grades count. An "A" equals three points and a "B" equals one. If a student has eight points he or she can make up the other two in extra-curricular activities, such as having participated in a athletic event, plays, assemblies, holding offices, etc.

Students on for this semester are Thomas Barker, Brownie Browne, Ben Chaffey, Jeremy Crocker, Corrinne Crossley, Richard Day, Marilyn Denton, Pat Edwards, Joey Flavin, Joan Gehlich, Barbara Greeley, Ed Griffing, Penny Haley, Craig Hammond, John Harp, Doris Hess, Jimmy Hicks, Anna Mae Houghton, Barbara Jones, Mary Louise Klug, Donella Knapp, Bob Knapp, Mildred Krug, Sue Leonard, Judy Lorenz, Eugene Masuda, Katie Mills, Connie Nash, Conrad Nelson, Ronald Nelson, Nancy Nye, Rolin Pelt, Mary Pendrey, Mabel Potter, Frank Purrell, Norman Rasmussen, Irma Taucher, Barbara Thompson, Eugene Thompson, Marshall Thompson, Sandra Vanno, Jane Wallace, Joan Wallace, Ann Wells, Jim Wells, Adele Woods, Betty Wright, and Mary Yamate.

## Sock Hop Slated After Hoop Game

Did you like that last Sock Hop? That's what we thought! Tonight, after our Indians defeat Banning's Broncos, (we hope) the junior class is sponsoring another Sock Hop in the "Injun gym" at Palm Springs high school.

Every lassie is urged to don her most appealing socks and invite her favorite laddie—or vice versa.

Prices are forty cents a couple and fifty cents a single. Alumni and people attending night school are welcome.

Everyone who was at the last affair knows how much fun they will have, and anyone who wasn't doesn't know what they will miss if they don't come, so come one, come all, to the Sock Hop ball.

## Nosey Reporter

A big question around the PSHS campus is that of the Student Court. Your inquiring reporter interviewed Elaine Purnell and Vicki Matloff. ## Curtain Time For "Chocolate Soldier" Nearing

"The Chocolate Soldier," well-known light opera by Oscar Straus, is now in the final week of rehearsal, February 17th, the date of presentation at the Plaza theatre, looms near. The Palm Springs high school glee clubs, under the direction of Alex and Wynne Hammond, will present the operetta twice on that date; at 2:00 o'clock matinee, and an evening show beginning at 8:00 o'clock.

"The Chocolate Soldier" is based on George Bernard Shaw's play, "Arms and the Man." Stanislaus Stange adapted it to music and Oscar Straus composed the tuneful musical score.

Bulgaria, in 1885, is the setting of Shaw's light and witty story. The countries of Bulgaria and Serbia have just finished a war and the Bulgarians are very busy welcoming home their heroes. They are so busy that they do not notice an escaped Serbian prisoner, who is hiding in the bedroom of a girl, whose father is the head of one of the most important families of Bulgaria.

Bumerli, the Serbian, is called "The Chocolate Soldier" because his cartridge belt is filled with chocolate drops. He falls in love with his beautiful sympathizer, disregarding the fact that she is already betrothed to a Bulgarian hero; and the ensuing complications develop into situations which make "The Chocolate Soldier" one of America's best loved operettas.

Playing the part of Bumerli, the debonair Chocolate Soldier is Jimmie Dills. Nadina Popoff, the heroine, is played by Brownie Browne. Tyler Gilman plays the part of Alexis, the mock hero of the Bulgarian army. Colonel Kasimir Popoff, the father of Nadina and a distinguished family man of Bulgaria, is played by Craig Hammond. Aurelia Popoff who tries in vain to please her Colonel, is played by Betty Wright. The Colonel's petite cousin, Mascha, who "would flirt with a wooden Indian," is played by Lois Wrathall. Richard Day plays the part of the bombastic Captain Masakroff, who spends the majority of his time on stage being bombastic. Katinka, the maid, and Stephan, the waiter, are played by Loretta Brownell and Conrad Nelson, respectively.

Tickets for the production may be purchased at the box office of the Plaza theatre.

were two students each from the Junior and Senior class, while the Sophomore and Freshman classes would each have one representative. The presiding judge would be a member of the student council but the others needn't be.

Corky Hammond agreed with Audrey but stated that he felt the representatives should be headed by the student body president.

Beide Woods said that she thinks the senior students should be in a majority, and that the Student Council should have nothing to do with it. She felt that the council shouldn't pick out the Student Court either.

This was the consensus of opinion concerning the Student Court.

## PALM VALLEY

With DON CAMERON

Something new has been added in the way of service for pilots on the air strip at Desert Air Hotel, Jimmy Moffett formerly with Culver City Airport has been added to the staff as plane handler, mechanic and general service man. Another new feature is the Standard Oil truck which is available any time. Hank Gogerty's efforts in grading, piping and seeding the 3000 foot runway are finally being rewarded. The recent warm days have done wonders with the grass and in no time it will be

ready for a cutting. That's the operation I want to see. Guests in the midst of all this were the Ed Stinsons of Grand Forks, North Dakota. Because it was 27 below at home, their daughter took off for here and another daughter, Mrs. A. B. Checkly, with her two children, is flying from Richland, Washington for a family get together.

Oregon was very much in evidence here this week. At Sage and Sun in Palm Valley the F. C. Dillarders from Portland. They came over to Rancho Mirage to visit the Myron Roots, famous for their pear shipping from Medford. Another couple from that town here for a month are the Larry Schades, local jewelers up there. At the Palm View apartments for two months, the Ben Wisenands from Bend. Portland's Dean Vincents have been down at their Del Sol Ranch once this season, after picking up a new car in Detroit, driving to Florida, then back through the south. Dean is undergoing an operation and plans to be back here shortly. Bill Boyker, patent attorney from San Francisco is down for two weeks at his home on Hiway 111 with Ray Salisbury an attorney from Oakland. Spending the week-end in his adobe, Frank Morgan with Hal Austin and Ted Dudemain. The Sidney Greenleafs, owners of Rancho Mirage Apartments, have their son, Blaine, visiting them. He is a freshman at Loyola, having won a four year scholarship for his basketball at Burbank high.

Stopped by, Myrwood K. Guy, student body president at Chaffey College looking for Jimmy Searls. Said Jim will likely be sophomore class president. This

should make Jimmy's folks Herb and Eleanor Trux proud of him. On top of the good name he made at Palm Spring's high. Frances Hutton of Rancho Paradise, proudly displaying a 32 lb. ham sent from Birmingham, Alabama, by husband Raymond, who's making personal appearances there.

## Pupil Responsibilities

By VICKI MATLOFF

One pupil, as an individual, carries upon his shoulders not only the responsibility of his own education, but also that of the hundreds of students about him. This may seem to be a very general statement, but to the smallest details it holds true. As in any case, things occur in a chain reaction, and so it is with the scholastic attitude of a pupil. The well-mannered actions of one pupil in a class can have an amazing disciplinary effect on many of the other students around him; and there you have an example—a golden chain of silence. Such a chain should be continued throughout all school activities, but linked only with the gems of courtesy, consideration, and thoughtfulness of the people who constitute the routine of daily scholastics.

The world revolves only on the emotions and actions of the people in it, therefore, every time someone robs themselves or the person next to them of the priceless value of an education, they alone, are slowing down the progress of the world. It is indeed hard to realize that every word spoken out of turn in a classroom is detaining the progress of modern ideals, and holding back a nation so in

need of cooperation. Respect for the property which is yours, and yet must be shared by many others, means a great deal. A school is very often considered too much on the impersonal side by most students. The word "school" should not bring to mind only the picture of a building, but the thought of a patient and helpful friend. To walk up to a personal friend and carve initials on his arms, or write on his face with ink would be unthinkable. Unthinkable? How could anyone who was thinking at all, kiss a cold bare wall, smearing lipstick all over it? Think before marring up something that may not seem so important, but which actually evaluates itself over and over to appreciative people.

A chain reaction starts with only a small movement, in this case being the attitude of each pupil on the campus. Therefore, common courtesy should be considered above everything else.

As a person is going to school, he is a very definite part of the American government, and so his citizenship must reach standards set before us by the magnificence of this country. By making this a better school we are helping to make this a better America.

## GAZOOZIT

By MARLEEN WATLET

The first thing in my little black book is news that the seniors elected Nancy Nye as their Prom Queen.

Next I find that some of the girls had a potluck dinner at Arlene and Marlow's house. Those attending were Mary Louise Klug, Arlene Southworth, Marlow Troy, Audrey Bentsen, Joyce Decker, Pat Fowler, Ann Welles, Marilyn Sorum and Penny Haley.

At the drive-in theater at San Bernardino Friday night were Elaine Purnell and Jack Wilcock, Vicki Matloff and Don Mithum.

Among those enjoying the Palm Springs-San Jacinto game were Nancy Ehlert, Sue Waite and Wendell Hines, Ginger Hubbs, Betty Wright and Tyler Gilman, Nicky Nichols and Ann Detsler, and Frances Nash. Our boys put up a good fight, although they lost, and we are still second in the league.

Everyone seemed to be at the parade Saturday morning. Those watching the cowboys and cowgirls were Gene La Salle, Dale Summers, Marlene Knower, Joan Margolis, Gary Sanders and Sonya Hulme, Doris Ehlert, Chuck Craft, Bill Slocum, Bob Sandeffer, and Natalie Zerinski.

Some of those at the local cinema Saturday night were Joey Flavin and Marilyn March, Ben Chaffey and Janet Jaynes, Brownie Browne and Nicky Nichols, Johnny Wilms and Yours Truly, Chuck Bonk and Sandra Small, Lois Earle and Parker Smith, Vicki Matloff and Pete Eklert, and Bobby Brown. Then there was Connie Nash who had a gay time in Indio with Bob Bartlett.

Sunday found Jackie Kingsbury and Bill Harmon, Don DuBose and Yours Truly, practically snowbound in Idyllwild. What fun!

Enjoying the rodeo were

Connie Nash, Bob Sandeffer, Geska Strebe, Jack Weingartner and Dixie Smith. Mable Potter and Eddie Weiss and many others.

Sunday afternoon the "Five by Fivers" and their dates held a picnic at Andreas Canyon. Eating and hiking Barbara Jones and Frank Purrell, Brownie Browne and Corky Hammond, Betty Wright and Chuck Bond, and Mary Pendrey and Dick Clarke. Adele Woods and Bill Hotchkiss didn't quite make it!

At the Desert Hot Springs Theater Sunday night were Pat Warren, Penny Haley, Joan Gehlich, Pudge Richards, and Chuck Whisenand and Pat Phillips.

New steadies are Bobby Hall and Angel Perry and Anna Mae Houghton and Francis Hadden. New old steadies are Dick Clarke and Mary Pendrey and Adele Woods and Bill Hotchkiss.

The question of the week is "Have you heard Jimmy Dills sing 'Forgive' in 'The Chocolate Soldier' rehearsal?"

## Gym Shorts

This past week hockey has finally come to an end after an hectic season of rain, snow and just plain cold weather. Miss Laho, with the aid of Dixie Smith, chose the hockey varsity, who are as follows: Nancy Nye, Vickie Matloff, Elaine Purnell, Desser Webb, Corinne Crossley, Jackie Kingsbury, Dixie Smith and Mabel Potter.

The award for varsity is a maroon star, which shows that the girl is outstanding in this sport.

The next sport on the agenda is speedball. The first practice game is Wednesday. Tuesday, January 8, the girls' varsity basketball team plays the boys' varsity team in the gym. The boys have to play girls' rules, so if you are looking for laughs, this is the game to see.

## Duke Gets His Tractor

Duke Thomas bought a farm with the money he'd saved in the Service, but he couldn't get a tractor. He needed it badly, but was tenth on the local dealer's list.

"Tell you what," old man Peters says, "If those nine fellows ahead of you agree, you'll get the next one I get in." "No, thanks," says Duke, "I'll just take my turn."

But old Peters mails out nine postcards. And the other day he tells Duke his tractor will be in next week. "I simply wrote the facts to the fellows ahead of you. They decided it."

## Net Champs Meet Here In Tourney

Village Tennis fans will have the opportunity this week-end of seeing four of the greatest net professionals in action at the Tennis Club when matches start in a Round-Robin tournament at 12 noon tomorrow.

Bobby Riggs, Gene Mako, Donald Budge and John Founce will meet in the tournament with two singles matches and one doubles match tomorrow and the same, program Sunday.

**MATCHES START** at noon Saturday and at 1 p. m. Sunday. Advance ticket sales and inquiries indicate they will be a sell-out. Reservations may be made by calling the Tennis Club. Schedule of matches sends Riggs against Mako in the opening event tomorrow and Budge against Founce. Budge and Mako will play against Riggs and Founce in the doubles.

**SUNDAY'S MATCHES** pit Riggs against Budge in the opening singles and Mako against Founce in the second singles. Budge and Mako will again meet Riggs and Founce in the closing doubles matches.

**NET STAR**—Gene Mako, past National junior singles and doubles champion who'll be among four top net stars to compete at Tennis Club tomorrow and Sunday. Others are Donald Budge, Bobbie Riggs and John Founce.

## New County Loop Schedule Ready

Bob Bennett, director of Village recreational activities, yesterday listed the future—and final—schedule of the Palm Springs entry in the county basketball league play, Palm Springs' team, sponsored by George Strebe, is named the Doll House Five, and, to date, has won three and lost five, all tough, tight games.

Last night the locals traveled to Hemet for a game there and, commencing next Monday, will play as follows:

Monday, Feb. 14, 8:15 p. m.: San Jacinto—P. S. high school gym.  
Thursday, Feb. 17, 8:15 p. m.: Elsinore—here.  
Monday, Feb. 21, 8:00 p. m.: Indio at Indio.  
Thursday, Feb. 24, 8:15 p. m.: Banning—here.  
Monday, Feb. 28—Bye.  
Thursday, Mar. 3, 8:00 (Final League Game) Perris at Perris.

## Globe Trotters Trip Lions 29-14

In last Monday's city basketball league game between the Lions Club five vs. the colored Globe Trotters the latter won 29-14.

According to Bob Bennett, director, the game was fairly even until the last quarter at which time the colored boys took over to go wild, with the ultimate score, 29-14. Jessie was high pointer for the winners. Don Allen refereed.

## Rapid Progress Made by Play School Here

Behind a little sign at 1547 North Palm Canyon drive is a combination nursery-kindergarten-prekindergarten-baby sitting organization which started operations recently under the ownership and active supervision of Mrs. Ella Olsen, as the Palm Springs Play School.

Designed originally for children of pre-school age, two and a half to five and a half, the play school has graduated in less than three weeks to a pre-kindergarten class and a kindergarten group besides a special place for youngsters just to play. According to Mrs. Olsen, who carries accredited state credentials for these activities, the school is open from 7:00 a. m. to 7:00 p. m. for the children of Village workers and village visitors at hourly, daily or weekly rates. As an added outgrowth, there has now been added to the staff a group of qualified adult baby sitters. On the teaching staff assisting Mrs. Olsen is Miss Marian Hall and another is soon to join the instruction group—Miss Inez Wardle. Both are fully-qualified with the necessary state credentials.

## Flying Doctors Having Trouble With That Trip

Flying Doctors of California seem to be having trouble with good flying weather, according to Win Wood, publicity chairman of the local airport.

Scheduled twice to convene here for a week-end at the local Aerotel the doctors, from all parts of the state, were again forced to cancel their trip for the past week-end due to poor flying conditions in every part of the state except Palm Springs.

According to Miss Wood, the local airport teemed with traffic over the week-end of planes putting in here due to poor flying conditions elsewhere, and she said the doctors would make their arrangements with her later on since they still want to convene here for one of the Palm Springs "Package Week-ends," a feature of the local airport.

## Banning Quintet To Meet Indians At Gym Tonight

Palm Springs high school Indians will play host to Banning high in a "crucial" game tonight at the local gymnasium. Banning is one slot below the Indians in league standing to date, having won two and lost two. The Indians have also lost two but have won three, being the only team in the loop to take the measure of Beaumont, currently touted as the league champion.

The Indians downed Beaumont 46-44 only to have the latter bounce back and upset Hemet, up to then undefeated, last Friday.

**TONIGHT'S** double-header starts at 7 p. m. with the Pa-pooses meeting the Banning Bees in the opener and the varsity teams following at 8 p. m. Coach C. E. Ballagh has been giving his boys the works and intends to keep them in the fight with a win over Banning.

Beaumont goes to Perris tonight and should easily retain its spot in the loop. Hemet enters Elsinore and will undoubtedly stay on the pace with Beaumont. San Jacinto is also doped to maintain its three-way tie position in a trip to Coachella tonight.

## Village Quintet Bows to Perris By 51-44 Edge

Battling Perris for the first time in the county league last Monday, the local Doll House basketballers lost a hard-played but exciting game 51-44.

According to Bob Bennett, director, the game was lost in the second quarter when the visitors went wild to gain 16 points over George Strebe's Dolls, a lead which later stellar playing by the locals could not overcome.

Jack Burzell, star Doll center, was high points scorer of the game with 28 points. Monsieur Pourroi of Perris was second high of the game with 21. Don Allen refereed.

### Conservation Head Visits Pass Area

Seth Gordon, executive-director of the California Wildlife Conservation board, was a visitor in San Geronio pass area last week-end inspecting the work the San Geronio Pass Fish and Game association is doing to save quail.

He inspected the water holes for quail in the desert area and reported that quail were again in abundance in the vicinity.
